A BSF patrol which had gone for combing operations on a tip-off about the presence of militants in the Dessa area was fired upon by the militants estimated to number around 130-150. A few among them, from their appearance appeared to be foreign nationals.

In this ecounter, 10 BSF were killed and 7 others including 2 JKAP men were injured. There were reports that 3 militants were also killed but this fact could not be verified as the bodies were taken away by the militants from the spot. The militants are reported to have used UMGs, Rocket Launchers, AK Series Rifles and Grenades in the encounter.

It is a fact that Pakistan continues to train and try and infiltrate terrorists, including foreign nationals into Jammu and Kashmir. Sustained pressure is being maintained on the militants within the State and surveillance has been further stepped up on the LOC and the Border to effectively check and prevent infiltration of terrorists into the State.
